

Neural Organization Work

Survival Systems

Flight / Flight System of the Body
*Neutral Gait
R or L Step Position*

Scoliosis

Language Processing

Endocrine System
*non-electrical communication system
(Adrenal-Thyroid-Ovaries/Prostate)*

Blood Sugar
Adrenal-Thyroid-Pituitary axis

Ovary / Prostate Reset

Digestive Organs Reset (secretin)

Superficial Immune & Digestive System

Upper Respiratory Colds

T.M.J

Core Immune System (Innate & Adaptive)

Nutritional Evaluation
(Biochemical Toxicities)

Spleen
(blood ~ detox ~ tissue repair
cellular growth)

Metal Toxicity /Detox
(mercury, lead, cadmium, etc.)

Amalgam Removal
(if present)

Detoxification Protocol
(repeat as often as
necessary ~3 months)

Thymus
Innate Immune System
(undifferentiated white blood cells)

Microbial Infections Common
(colds & flu, etc.)

Tissue Repair
(strain / sprains, etc.)

Central Nervous System
(immune)

Heart and Vascular
(brain stem issues
sympathetic & parasympathetic
nervous system, etc.)

Blood Pressure & Heart Arrhythmias

Macrophage
(specialized)
[large white blood cells]

Microbial Infections Persistent
(parasites, candida, mold,
bone / cavitation infection, etc.)

Injury Recall
Memory Patterns

Past Injuries, Surgeries, Major Illnesses, Limbic System (Emotional Overlays)

B & T Lymphocytes
Adaptive Immune System
(antibodies & suppressor cells)

Auto-Immune Issues
(thyroid, diabetes, skin,
post vaccine, cancer, etc.)

Lyme, C.F.S., F.M.
(complications / secondary
systemic issues, etc.)

Herpes Simplex
(specific neurological disorders,
MS, tremors, etc.)
