

Questions to Ask before consenting to any Vaccine for both child and or adult.

- Am I or my child sick right now?
- Have I or my child had a bad reaction to a vaccination before?
- Do I or my child have a personal or family history of vaccine reactions, neurological disorders, severe allergies,, or immune system issues?
- Do I know the disease and vaccine risks for myself/child?
- Do I have full information about the vaccine's side effects?
- Do I know how to identify and report a vaccine reaction?
- Do I know I need a written record, including the vaccine manufacture's name and lot number, for all vaccines?
- Do I know I have the right to make an informed choice?
